

**Fattori**  
**Roncha**  
**Veneto IGT Trebbiano**  
A.B.V.: 12.5%

### Varietal

- 100% Trebbiana di Soave

### Location/Production

- The vineyard is located at 1475 feet above sea level in the volcanic hills of Ronca (from which derives the name Roncha) on the slopes of the volcano Monte Calvarina.
- The fermentation takes place in stainless steel vats.

### Color, Nose & Palate

- Straw yellow with greenish reflections.
- A pleasant sensation of vegetal hints which rounds off with a touch of floral notes.
- Fresh, mineral and tasty. Complex with fruits notes. Persistent and large.
